FAX MEMORANDUM

05/04/99

TO: Dick Vesperman
FROM: Jim Cannon

Dear Mr. Vesperman,

I would like to get your comments on the testing protocol sent to you on 4/9/99. When I last talked to you, you were waiting for comments from someone else. Have they made their comments yet?

We would like to get the testing done as soon as possible so the project can move forward. We do not want to make any mistakes that will hold up the testing or the project. Your knowledge of the necessary testing and any comments from you and your colleagues can help us avoid any pitfalls.

I look forward to hearing from you.

Best regards,

Jim Cannon
